

Dominican and South Africa updates from the field!

COLORS staff is currently in South Africa working in partnership with CMSR, St. Mary's Childrens home in a township in George.

They are coordinating Mentorship programs, Youth Leadership, Nutrition programing, organizing a camp for kids at risk, in addition to providing basic needs supplies to those who need it most.

This years overseas team includes: Sunyata Choyce, Rebecca Martin, Catherine Robar and Margo Mahany!

Thanks everyone for organizing supplies and donations for this project!!!!

Update from our Dominican Project:

 Honeymooners take time for kids in need!

Thank you to some wonderful people in Saskatchewan, Canada the babies of Jackie's House now have new playpens to sleep in. A big thank you to Melanie and Kelly Thompson who recently came to the Dominican Republic for their honeymoon and brought with them two tubs

full of baby formula, food and supplies, children's clothes and hygiene products for the children of Jackie's House. Along with the supplies came a generous donation of money which allowed me to buy 3 new much needed playpens for the babies at the orphanage. God Bless you for helping others in need.

If you or anyone else is travelling to Santo Domingo, Dominican Republic....please contact Charlene if you would also like to take supplies for the orphanage:
